RCI BANQUE ISSUES € 750 MILLION OF A 2023 BOND

RCI Banque issued today a 7 year bond for a total amount of € 750 million with a 0.50% coupon, the lowest ever reached by the group for a maturity equal or over 5 years.

This fourth public issuance in euro in 2016 gathered a final order book of € 1.75 billion coming from almost 150 allocated investors.

This second 7 year bond of the year confirms investors' confidence in the financial strength of the company.
